Notwithstanding the foregoing, MSI may retain control of the defense and settlement of a claim by written notice to Contractor given within ten (10) days after MSI's receipt of Contractor's information requested by MSI pursuant to clause (ii) of this paragraph if MSI determines that Contractor has failed to demonstrate to the reasonable satisfaction of MSI, Contractor's financial ability to carry out its defense and indemnity obligations under this Section. Any litigation activity on behalf of MSI, or any of its subdivisions pursuant to this Section, must be coordinated with the Department of Attorney General. In the event the insurer's attorney represents MSI pursuant to this Section, the insurer's attorney may be required to be designated as a Special Assistant Attorney General by the Attorney General of the State of Michigan.
- (c) If Contractor does not deliver a Notice of Election relating to any claim of which it is notified by MSI as provided above, MSI shall have the right to defend the claim in such manner as it may deem appropriate, at the cost and expense of Contractor. 4.5 Additional Considerations

4.501 PAST PERFORMANCE

MSI reserves the right to evaluate the bidder's prior performance with the State, and the prior performance information may be a factor in the award decision.

4.502 FINANCIAL STABILITY

In making an award decision, MSI reserves the right to evaluate the financial stability of any bidder. MSI may seek financial information from the bidder and from third parties. If MSI determines, in its sole discretion, that contracting with a bidder presents an unacceptable risk to MSI, MSI reserves the right to not award a Contract to that bidder.

4.503 SAMPLES/MODELS

Samples must be returned with bids. Each sample should be one (1) yard. Bids received without samples may be deemed non-responsive and will disqualify the bidder from having their bid evaluated for an award.

4.504 CLARIFICATIONS

If it is determined to be in the best interest of MSI and/or if a bidder's proposal is unclear, MSI may request from one or all bidders, a clarification. MSI will document, in writing, clarification being requested and forward to the bidders affected. This process does not allow for changes, rather to simply clarify the proposal submitted

4.505 ORAL PRESENTATION

Bidders who submit proposals may be required to make oral presentations of their proposals to MSI. These presentations provide an opportunity for the bidders to clarify the proposals through mutual understanding. MSI will schedule these presentations, if required.

4.506 SITE VISIT

MSI may conduct a site visit to tour and inspect the bidder's facilities. MSI will schedule these visits, if required.

4.6 Award Process

4.601 METHOD OF AWARD/SELECTION CRITERIA

1. MSI Proposal Evaluation. In awarding the Contract, proposals will be evaluated by MSI based on the following factors:

		Weight
1.	Product Quality (Section 1.1)	25
2.	Service Capabilities (Section 1.2)	15
3.	Delivery Capabilities (Section 1.3)	20
4.	Company Information/Capabilities (Section 4.301)	10
5.	Prior Experience (Section 4.302)	10
6.	Staffing (Section 4.303)	10
7.	Past Performance (Section 4.501)	5
8.	Financial Stability (Section 4.502)	5
	TOTAL	100

2. Price Analysis.

- a) Only those proposals receiving a score of 80 points or more of the total maximum possible score will be considered for award.
- b) Prices will only be considered from those bidders meeting the minimum point threshold after completion of the proposal evaluations.

3. Additional Steps. MSI may elect to engage in either of the following steps with bidders that meet the minimum point threshold.

- (a) **Pricing Negotiations** - If it is determined to be in the best interest of MSI, MSI may enter into negotiations with bidders on pricing only. No modification to the technical requirements or specifications will be allowed. If technical requirement or specification changes are required, the BAFO process as described below will be used.
- (b) **Best And Final Offer (BAFO)** - If the selection process described in the ITB does not lead to a viable award recommendation, or significant deficiencies are identified, MSI at its discretion may prepare a Deficiency Report and Clarification Request (DR/CR) for each proposal

determined to be in the competitive range. Bidders will be allowed to respond in writing to the (DR/CR) with a Best and Final Offer (BAFO). The BAFO may include any changes to the original proposal to address the listed deficiencies, including alterations to the original cost proposal to address correction of such deficiencies. The Best and Final Offers must be submitted by the deadline established by MSI.

After reviewing the Best and Final Offers, MSI will re-evaluate the proposals using the original evaluation method. If an alteration to the originally published evaluation criteria is to be made, such changes in the criteria will be published to all bidders as part of the issuance of the DR/CR's.

Bidders will NOT be provided any information about other proposals or prices, or where the bidder stands in relation to others at any time during the evaluation process. Any request for such information will be viewed as a compromise to the stated evaluation process and the requesting bidder may be eliminated from further consideration. Successful requests for proposal information by a bidder, its subcontractor, or an affiliated party before Contract award may also result in disqualification.

Bidders are cautioned to propose their best possible offers at the outset of the process, as there is no guarantee that any bidder will be allowed an opportunity to submit a Best and Final Offer.

3. Award Decision.

- (a) Best Value. The award recommendation will be made to the responsive and responsible bidder who offers the best value to MSI. Best value will be determined by the bidder meeting the minimum point threshold and offering the best combination of the factors stated in Section 4.3, Section 4.5, and price, as demonstrated by their proposal.
- (b) MSI reserves the right to consider total cost of ownership factors in the final award recommendation (i.e. transition costs, training costs, etc.).
- (c) MSI reserves the right to award by item, part or portion of an item, group of items or total proposal, to reject any and all proposals in whole or in part, if, in the MSI's Business Manager's judgment, the best interest of MSI will be so served.
- (d) MSI reserves the right to award multiple, optional use contracts. In addition to the other factors listed, offers will be evaluated on the basis of advantages and disadvantages to MSI that may result from making more than one award.
- (e) Thereafter, award recommendation will be made to MSI's Business Manager.

4.602 RECIPROCAL PREFERENCE

Public Act 237 of 1988 allows Michigan businesses to claim reciprocal preference against out-of-State firms when bidding on solicitations with estimated values of \$100,000 or more.

4.603 STATE ADMINISTRATIVE BOARD

Bidders are advised that the State Administrative Board prior to final award must approve all contracts/purchase orders in excess of \$25,000. The decision of this Board is final.

4.604 PROTESTS

If a bidder wishes to initiate a protest of the award recommendation, the bidder must submit a protest in writing by 5:00 p.m. within fourteen (14) calendar days from the date of the 'notice of award' sent or posted by MSI. Contractor must include the ITB number and clearly state the facts believed to constitute error in the award recommendation along with the desired remedy. More information about the Contractor protest process is available at www.michigan.gov/doingbusiness; refer to the Becoming a Business Partner page.
